

9025 Multi-Function Control System

Sprayer upgrading has never been simpler or inexpensive.

Mount controls where you want them, in any location... simply, with four screws.

The unique design of the 9025 maintains nearly constant pressure in spray or bypass, protecting the electrical system from high amperage draw during bypass...the most common cause of 12 VDC system failure.

Imagine the simplicity; bolt down the pump, bolt down the control and connect a hose between the two...it's that simple.

- *PumpteC's new Multi-Function Control System integrates precise pressure regulation, gauge, agitation valve into one simple control module.*
- *Six spring choices protect system from over pressurization at maximum adjustment*
- *The 9025 MFCS is unique because it is specifically designed for the 12 VDC pest control and turf sprayer industry.*
- *The liquid filled gauge is mounted next to the controls allowing simple and precise system set up, adjustment and monitoring.*
- *The Ball Valve provides simple priming, agitation, flushing or dumping of pressure during system set up.*
- *The Six port design, three on the pressure side plus three on the bypass side, provides maximum plumbing configuration flexibility.*

PN	PSI Range	Description	Inlet / Bypass Ports	Weight (lbs.)
80931	0-40	9025 MFCS (Pink spring)	1/2 B x 3/4 B	2
80907	0-80	9025 MFCS (Blue spring)	1/2 B x 3/4 B	2
80879	0-150	9025 MFCS (Red spring)	1/2 B x 3/4 B	2
80932	0-180	9025 MFCS (Green spring)	1/2 B x 3/4 B	2
80933	0-210	9025 MFCS (Silver spring)	1/2 B x 3/4 B	2
80934	0-310	9025 MFCS (White spring)	1/2 B x 3/4 B	2

System Accessories

PRESSURE REGULATORS

Featuring: Stainless Steel Pistons, Proprietary U-Cups

PN	PSI Range	Description	Inlet Bypass Ports	Weight (lbs.)
70027	0-50	Series 9015 pressure regulator, nylon, black	1/4 M x 3/8 B	.3
70026	0-125	Series 9015 Pressure regulator, nylon, black	1/4 M x 3/8 B	.3
70015	0-200	Series 9015 Pressure regulator, nylon, black	1/4 M x 3/8 B	.3
70014	0-250	Series 9015 Pressure regulator, nylon, black	1/4 M x 3/8 B	.3
70105	0-200	Series 9019 Pressure regulator, brass regulator (9019)	1/4 M x F	.5
70106	0-250	Series 9019 Pressure regulator, brass regulator (9019)	1/4 M x F	.5
70028	0-200	Series 510 Pressure regulator, brass, 2 port (510)	1/4 F (2)	.7
70029	0-350	Series 510 Pressure regulator, brass, 2 port (510)	1/4 F (2)	.7
70030	0-600	Series 510 Pressure regulator, brass, 2 port (510)	1/4 F (2)	.7
70031	0-200	Series 500 Pressure regulator, brass, 3 port (500)	1/4 F (3)	.7
70032	0-350	Series 500 Pressure regulator, brass, 3 port (500)	1/4 F (3)	.7
70033	0-600	Series 500 Pressure regulator, brass, 3 port (500)	1/4 F (3)	.7
70097	0-80	Series 9025 Pressure regulator, nylon, 6 port (9025)	1/4 F x 1/2 F (5)	1
70095	0-150	Series 9025 Pressure regulator, nylon, 6 port (9025)	1/4 F x 1/2 F (5)	1

REGULATOR REPAIR KITS

PN	Description	Weight (lbs.)
9015-KIT-RR	Regulator repair kit for 9015	.1
70104	Regulator repair kit for 9019	.1
500/510-KIT-RR	Regulator repair kit for 0500 / 0510	.1
70094	Regulator repair kit for 9025	.5
NUT-MV510-LOCKING	Locking Nut for 0510 / 0500 Regulators	
NUT-9015-JAM	Locking Nut for 9015 / 9019 Regulators	

MOUNTING BRACKET FOR PRESSURE REGULATOR 500

Does not come with regulator
