

High Performance Electric Sprayer

- Integrated charging system: Fully automatic, selectable 2A/10A/15A, charge maintainer, digital status indicator
- Battery isolator/selector switch: 4-positions; off, battery 1 or 2, both
- Battery box: For Series 27 deep cycle battery
- Performance: 3 GPM @ 150 PSI, 100 PSI @ nozzle
- Pump: PUMPTEC Series 350U, stainless steel plunger and valves, Viton seals
- Motor: 12 V DC, 10A-30A draw, sealed weatherproof design
- Pressure control with by-pass agitation: Adjustable 10-150 PSI, 300 PSI liquid-filled gauge, full by-pass/agitation/priming valve
- Hose reel: COXREELS 17.5" with Viton seal
- Hose: 300', 3/8" ID, 600 PSI, PVC
- Quick connects: Foster® automatic shut-off socket and live swivel on gun
- "JD-9" Spray gun with #6 nozzle
- Filtration: High capacity line strainer with clear bowl
- Tank fill assembly: Air gap filler with heavy duty 3/4 GHT brass ball valve
- Tank drain: Integrated drain system
- Frame: Epoxy coated, 14 gauge steel, 29"l x 18"w x 29"h
- Tank size: 50 gallons
- Dimensions: 56"l x 34"h x 19"d (43" Deep Tank)
- Dry weight: 202 lbs. (80868)
215 lbs. (80867)
- Shipping weight: 242 lbs. (80868)
255 lbs. (80867)

Tough as nails.

Thick 14 gauge welded steel construction. Rock hard epoxy finish fights corrosion. PUMPTEC® plunger pump has all stainless steel and Viton® internals. Fewer moving parts means less downtime and more productivity. Durable, flexible, non-marking, abrasion resistant PVC hose, Heavy duty COXREELS® with Viton seals.

Eco Friendly.

Pest industry's greenest sprayer. No gas engine emissions, no engine noise, no gas can. Quiet operation at any hour. Tank drain system simplifies disposal compliance. Reduce, reuse and recycle residuals. Compact size and light weight fits smaller vehicles, reduces fleet expense.

Everyday reliability.

Full charge provides entire workday of spraying, instant on/off means more time to spray, more jobs per day. No spark plugs, diaphragms or pull cords to fail on the job. No gas or oil levels to maintain. Finish every job you start quietly and quickly.

High tech design.

PUMPTEC's patented design provides highest performance, lowest amperage. State-of-art solution control system. Digital status readout. Battery charge maintainer. Fully integrated, electrically independent sprayer.

80868 50 Gal/Manual Reel
80867 50 Gal/Electric Reel

"We converted our entire fleet to PUMPTEC electric sprayers.

Our techs would use nothing else."

- Todd Leyse, President
Adam's Pest Control, Inc.

ERGONOMIC DESIGN = OPERATOR PRODUCTIVITY = COMPANY PROFITS

ELECTRICAL

- On-off Switch
- Circuit Breaker
- Battery Selector
- Integrated Charger
- Charger Cord

MECHANICAL

- COXREEL, Electrical or Manual
- 300' PVC Hose, 3/8 I.D.
- "JD-9" Spray Gun
- Quick Connect w/ Shut Off
- Live Swivel on Gun

SOLUTION

- Pressure Gauge
- Pressure Control
- Prime Valve
- Air Gap Filler
- Tank Fill Valve

ECO-FRIENDLY

Tank drain system simplifies disposal compliance.

Reduce
Recycle and
Reuse Residuals

DURABILITY

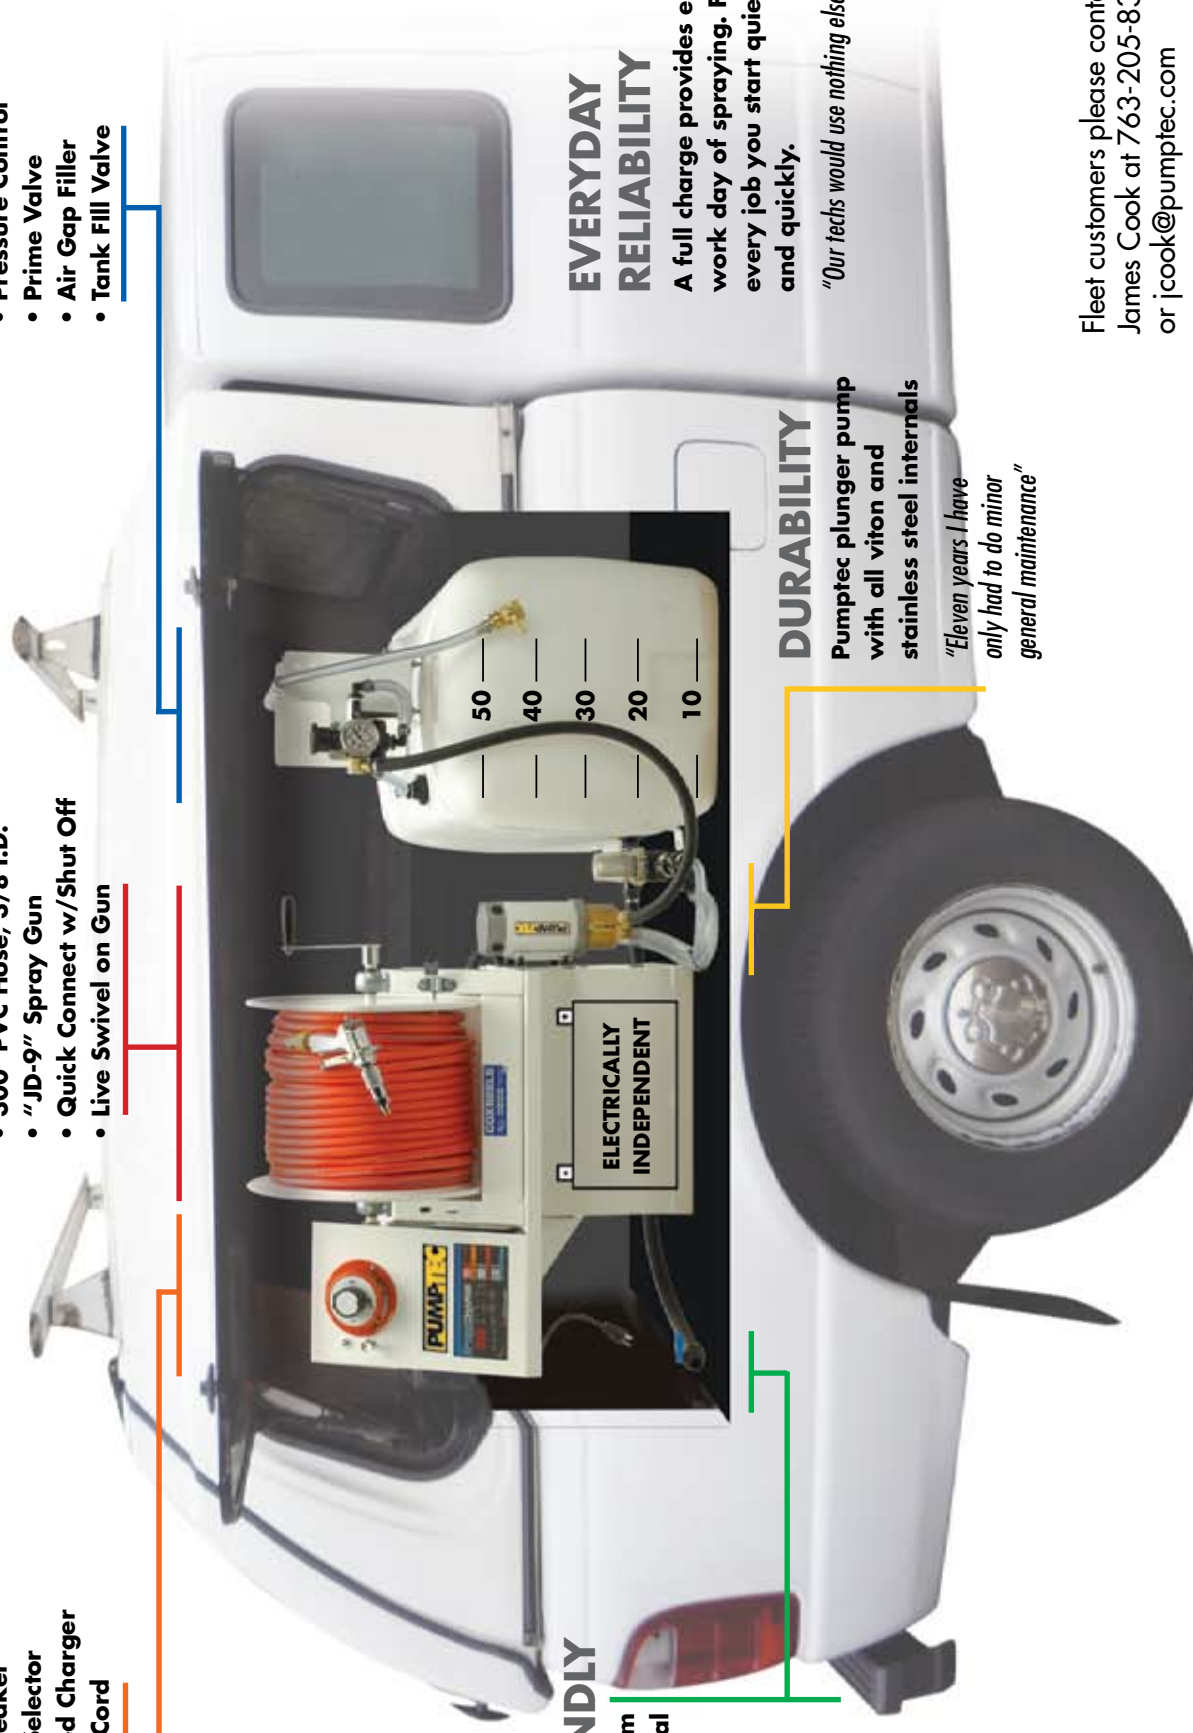

Pumpteck plunger pump with all viton and stainless steel internals

"Eleven years I have only had to do minor general maintenance"

EVERYDAY RELIABILITY

A full charge provides entire work day of spraying. Finish every job you start quietly and quickly.

"Our techs would use nothing else."
